Office of Admissions

FINANCIAL AID PROGRAM

Because we believe that no qualified student should be discouraged from pursuing seminary education for merely financial reasons, we have established the financial aid program outlined below to supplement your own financial resources. **In order to serve as many of our students as possible, those who qualify in more than one type of financial aid will receive the one option that provides the most benefit.**

You must maintain a GPA of 2.0 or higher **and be current** in an acceptable student account payment plan with the Business Office in order to maintain eligibility for BTS financial aid.

GRANTS

Students who demonstrate financial need and are enrolled full-time in their specific degree program may be eligible for a grant. You must complete the BTS Grant Application found online at <http://www.biblical.edu/images/stories/forms/grant-application.pdf> and submit a copy of your most recent tax return. **International students are NOT eligible for the Grant program.**

ENTITLEMENTS

1. The spouse of a current, full-time student in a degree program is entitled to a 50% tuition discount on any class.
2. A BTS degree-program alum is entitled to a 20% tuition discount on a second degree.
3. A missionary is entitled to a 20% tuition discount on any class if he/she is sponsored by a recognized sending agency and is required to raise at least 50% of his/her support. You are required to provide a letter from your sponsoring organization that confirms your missionary status and the level of support you raise.

CHURCH MATCH PROGRAM

For full-time, degree-program students whose churches want to support their education throughout the entirety of their degree, BTS will match the church's sponsorship up to 25% of tuition costs. Your church officials will be required to complete a Promissory Note on an annual basis acknowledging the amount of their support and how they intend to pay. BTS will match the church's payment once it has been received, up to a maximum of 25% of the tuition total billed in each term, provided you keep your account current with your portion of payment. Request a copy of the Promissory Note from your Admissions Counselor/Recruiter. A limited number of Church Match agreements are available each year.

SCHOLARSHIPS

Occasionally donor scholarships become available which are awarded by the Financial Aid Committee to students who best meet specific criteria. Notifications will be emailed to students as these scholarships become available.
